

The family name Pulenta, which has almost a hundred years of tradition in viticulture, fulfills with *Valbona* the goal set by *Don Augusto*: to produce wines that would strongly reflect the characteristics of the soil and the vineyards from San Juan.

## VALBONA MALBEC

**Color:**

Deep red.

**Aroma:**

It smells of coffee, chocolate and berries.

**Taste:**

It is a strong wine, with a round mouthfeel and nice tannins.

**Suggestions:**

This wine goes well with meat, poultry, pasta, spicy and smoked food.

**Variety:**

100% Malbec.

**Vineyard:**

Plantation Doña Filomena  
9 de Julio County, San Juan, Argentina

**Harvest:**

The grapes are harvested during the second week of March.

**Fermentation:**

Standard, with selected wine yeasts, for 20 days approximately, at a maximum temperature of 28 °C

**Maceration Time:**

Standard, with selected wine yeasts, for 20 days approximately, at a maximum temperature of 28 °C
